Meet your local guide and skipper for a full day private motor boat tour of Brijuni Islands National Park and the town of Pula. You will cruise around Brijuni islands that have always been known as *the pieces of Heaven*. A stunning archipelago of green islands sinks into the turquoise-blue sea in front of your eyes and shows a unique harmony of intact nature and cultural heritage.

You will enjoy a private safari tour of the island with a private golf cart and visit some of the numerous archeological and historical sites. Also, this archipelago treasures many autochthonous and imported species of the animal world that you will have a chance to meet during the course of your tour. Brijuni were also known as the exclusive beach resort for the aristocrats and the personal summer residence of the Yugoslav president Tito.

After the safari tour, you will continue with your private motor boat towards the town of Pula. Upon arrival, your guide will take you for a private walking tour of this beautiful, 3000 year old Roman town. First you will visit the Amphitheater, the most famous and important monument, popularly called the Arena of Pula. Built in the 1st century AD, at the same time as the magnificent Colosseum in Rome, it was once the site of gladiator fights. It is believed that the Amphitheater could seat about 20,000 spectators. In the Middle Ages it was the site of knights tournaments and fairs and today it is the venue for summer performances.

You will continue your tour and visit more valuable sights such as: Triumphal Arch of the Sergi, also known as the Golden Gate, the Roman Forum, the Temple of Augustus, the Communal Palace etc.

Later this afternoon you can stop for a swim in one of the hidden bays you will discover along the way.

Enjoy your cruise back to Rovinj with a glass of wine on board.
