

## Private half day Motor Boat tour of the Lim Fjord and oyster tasting

**Frequency:** daily from May – October

**Duration:** full day (9.00AM – 1.30PM or 2.00PM – 6.30PM)

Meet your skipper for a private motor boat tour of the Lim Fjord. The Lim valley of the river Pazincica transforms into the Lim bay, a 10 kilometer long canyon. The name Lim derives from the Latin word “Limes” which means “the border” because during the Roman Empire this valley divided two of the Roman provinces at that time, Dalmatia and Italia.

This breathtaking fiord abounds with lush and diverse vegetation and wildlife, as well as the rich underwater world. The water in the bay is only partly saline, because of its sources of sweet water, and thus is suitable for fish and oyster farming. You will be able to taste these delicacies, as the oysters will be taken out from the water right in front of you.

Should you wish, you can also stop for a swim in one of the hidden bays you will discover along the way.

Then you will continue your cruise towards the picturesque town of Vrsar, where you can enjoy lunch in the famous “Trošt” restaurant, highly recommended by food lovers. *Cost of lunch is not included.*

Enjoy your cruise back to Rovinj with a glass of wine.
