Meet your local guide and skipper for a full day private motor boat tour of Brijuni Islands National Park. You will cruise around these extraordinary islands that have always been known as *the pieces of Heaven*. A stunning archipelago of green islands sinks into the turquoise-blue sea in front of your eyes and shows a unique harmony of intact nature and cultural heritage. If you wish, you can stop for a swim in some of the deep secluded bays you will discover along the way.

The islands carefully preserve the traces of 5000 years of human history with over a hundred archaeological, historical and cultural sites. Also, this archipelago treasures many autochthonous and imported species of the animal world. *You will enjoy a private safari tour of the island with a private golf cart and visit some of these fascinating sites.*

In the late 19th century Brijuni became an exclusive beach resort for wealthy European elite and aristocrats and the center of social life on the Austrian Riviera. But it was only when the Yugoslav president Josip Broz Tito made Brijuni his personal State Summer Residence that the islands became world famous. At that period Brijuni were visited by numerous government and diplomatic representatives, as well as many renowned personalities from the world of culture, art and science. During your tour, you will also visit Tito's residences where he welcomed his famous guests.

Afterwards, you can have lunch in one of the exquisite restaurants on the shore that offer fresh and savory sea food. *Cost of lunch is not included.* Later this afternoon you can stop for a swim in one of the hidden bays you will discover along the way.

Enjoy your cruise back to Rovinj with a glass of wine on board.
