

Private Tour of Postojna Cave and Lipica Stud Farm

Frequency: daily from January - December

Duration: full day (9.00AM – 6.00PM)

Meet your driver and guide in the hotel lobby for a full day tour to Slovenia's Postojna Cave and Lipice Stud Farm.

The drive from Rovinj to Postojna Cave takes approximately 2 hrs (128 km).

Visit this extraordinary cave and its curiosities. **Postojna Cave** has been attracting throngs of admirers from all over the world for over two centuries now. From the very beginning the cave was also a challenge for the bold explorers of the underworld who, with patience and perseverance, penetrated ever deeper underground. It is thanks to the far-sighted managers of the cave that the newly discovered sections were quickly made suitable for mass visits. With the exception of the human fish, whose life was long shrouded in mystery and superstition, subterranean fauna has not been the subject of study for very long. The discovery of the drobnovratnik beetle in 1831 encouraged the further research of this unique site.

After the visit to Postojna, you will continue with your guide and driver towards the Lipica Stud Farm. The drive takes approximately 25 min (33 km).

In the picturesque Karst region of Slovenia, in the shade of century-old lime trees and oaks, lies the **Lipica Stud Farm – the cradle of the Lipizzaner horse**. The stud farm was founded in 1580 and this year it is celebrating its 430 anniversary! For over four centuries, the Lipica Stud Farm has nurtured the tradition of breeding and selecting thoroughbred horses. In the period after World War II Lipica established its own classical riding school and has successfully performed with its horses at various equestrian events all over the world.

Today, Lipica is a world famous recreational centre with a hint of tradition. You will be able to enjoy the unspoilt nature, riding lessons on the back of amazing Lipizzaners, ride through the Lipica park in an elegant horse-drawn carriage. You can also visit one of the oldest stud farms in the world and the permanent gallery of August Černigoj which features a collection of his most remarkable works of art. Or you can just sit back and enjoy the view of the beautiful Lipizzaner horses dancing to music in the classical dressage riding performances.

Later today you will continue with your guide and driver back to Rovinj.
