

## Private full day Yacht Tour to Venice

**Frequency:** daily from May – October  
**Duration:** full day (8.00AM – 8.00PM)

Meet your skipper for a private full day motor boat tour of Venice, one of the most beautiful cities in the world. Enjoy a cruise from Rovinj to Venice (takes approximately 3.5 hours). Upon arrival into Venice, enjoy a time at your own.

By taking a simple walk you will find yourself surrounded by palaces and churches whose architectural features turn them into an open-air museum.

The visit to this magical town could not be complete if you don't take a vaporetta (traditional boat) and experience the grandeur and beauty of the enchanting canal of Venice. Watch masterpieces of Renaissance architecture along with vintage administrative buildings and erstwhile homes and markets. The striking gondolas that pass through the canal waterways also provide a super romantic backdrop to the sightseeing session.

It is not unusual that Venice is known as the "City of lovers" because the romantic bridges and narrow streets allow people to take long and serene walks, with only the sound of water washing the shores...

Visit the famous Venetian sights that witness its glorious history: Piazza San Marco, the Palazzo Ducale, The New and Old Procuratie, the Bridge of Sighs, the Academia, Rialto etc.

Later this afternoon meet your skipper again for a cruise back towards to Rovinj with refreshments onboard.
